Patterson Lane, Mentone – Proposed Speed Humps

Background

Council is responding to community concerns about the vehicle speeds and safety along Patterson Lane in Mentone. Council has investigated these concerns and it has been determined that the implementation of traffic calming measures is warranted.

Council Action

Council is proposing to implement a speed hump in Patterson Lane. Please see the attached plan for more information. The speed humps will help to manage vehicle speeds along the laneway, which will reduce the risks and improve safety.

The work will be implemented in the next 8-10 weeks subject to feedback received.

Have Your Say

We would appreciate your feedback and ask that you complete the enclosed feedback form and return it to Council by 1 November 2019.
