Cooma Street, Moorabbin – Proposed changes to 1P Resident Permit Area

Background

In September 2019, Council consulted with residents to seek their opinion on the following proposed changes to parking conditions along Cooma Street:

- Replace the existing full time '1P Resident Permit Area' parking restrictions with '1P Resident Permit Area Mon-Fri' restrictions along the southern side of Cooma Street.

Council Action

Community feedback during the consultation period showed strong support for the proposal.

All additional comments made during the consultation period have been reviewed. Several residents noted that parking demand after-hours on weekdays is low. Council has conducted a review of parking demand within the Holmesglen TAFE area and will make the '1P Resident Permit Area' from 8am-5pm Mon-Fri only.

Removing restrictions on weekends and after-hours on weekdays will increase parking availability for residents and their visitors. It will allow parking on the southern side of the Cooma Street without the need for a residential parking permits during the quieter periods.

Council's parking inspectors will be notified of the changes and will continue to patrol the area frequently to ensure compliance is maintained during weekdays. Installation works for the new signage are expected to be completed within 3-6 weeks.

Council would like to thank all those that participated in the survey and provided feedback during the consultation period.
