## Rosebud Avenue, Moorabbin – Proposed 2P parking restrictions

### Background

In September 2019, Council consulted with residents to seek their opinion on the following proposed changes to parking conditions along Rosebud Avenue:

- Option 1: Introduction of '2P 8am-5pm Mon-Fri' on the northern side (odd number) of Rosebud Avenue
- Option 2: Introduction of '2P 8am-5pm Mon-Fri' on the southern side (even number) of Rosebud Avenue
- Option 3: No change to current conditions, unrestricted both sides.

### Council Action

Community feedback during the consultation period showed strong support for the proposal, with the majority of residents in favour of option 2.

All additional comments made during the consultation period have been reviewed and Council's response to common comments include:

- Council's Parking Management Policy recommends that parking restrictions are only introduced to one side. This allows residents that are not eligible for a parking permit or visitors the opportunity for an unrestricted parking space.
- No Stopping signs will be added to Rosebud Avenue, located 10 metres from the intersection of Chapel Road. This is in line with current Australian Road Rules.

Works are expected to be completed within 3-6 weeks.

Council would like to thank all those that participated in the survey and provided feedback during the consultation period.

# information bulletin

**Please Note:** Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. Additionally, all dual-occupancy and sub-divided lots granted planning advertisement after 28<sup>th</sup> of July 2015 are also not eligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.
