## Schneider Crescent, Clarinda – Change to parking conditions

### Background

In August 2019, Council consulted residents in Schneider Crescent, Clarinda after receiving concerns about safety on the bend. Council sought feedback on a proposal to install No Stopping signs on the inside of the bend near 24 Schneider Crescent.

### Council Action

Community feedback during the consultation period showed support for the proposed change.

Council has reviewed all comments provided and in response, will modify the original proposal. To help provide a balanced outcome for all residents whilst also improving the sight lines at the bend, Council will be retaining two spaces on the west side of No.24 instead of the one space originally proposed. Please see the plan over the page for more details.

It is expected that the signs will be installed in the next 2-4 weeks.

### Further Information

For further information please contact Traffic and Transport Planning Engineer Julian Birthisel on 1300 653 356.
