Avon Street, Moorabbin – Proposed change to parking conditions

Background

In response to community concerns about a lack of parking for residents along Avon Street in Moorabbin, Council has conducted a review of current parking conditions within the Holmesglen TAFE and hospital precinct. To improve parking opportunities for residents, Council is proposing to change the parking conditions in Avon Street and some neighbouring streets.

Council Action

Council seeks your opinion on the following changes in Avon Street (please see image on following page):

- **Option 1:** Introduction of '2P 8am-5pm Mon-Fri' on the northern side (odd number) of Avon Street, between Chapel Road and Fiddes Street
- **Option 2:** Introduction of '2P 8am-5pm Mon-Fri' on the southern side (even number) of Avon Street, between Chapel Road and No.20-22 Avon Street
- **Option 3:** No change to current conditions.

Please Note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. Additionally, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are also not eligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.
