Edithvale Road, Edithvale – Proposed Parking Restrictions

Background

Council is responding to community concerns about high levels of parking in Edithvale Road between Clydebank Road and 43 Edithvale Road. Therefore, Council is proposing to change parking conditions within this area to improve parking opportunities for residents and visitors in the area.

Council Action

Council seeks your opinion on the following proposed change:

- Option 1** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the north side of Edithvale Road from Clydebank Road to 43 Edithvale Road
- Option 2** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the south side of Edithvale Road from 14 Edithvale Road to French Avenue
- Option 3** – No change to parking in the street.

Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to exempt them from the time restrictions in the 4-hour restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling. According to Council's Parking Management Policy, subdivided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

Have Your Say

We would appreciate your feedback and ask that you complete the enclosed feedback request and return it to Council by Friday 20 September 2019.

Further Information

For further information please contact Traffic & Transport Planning Engineer Corey Allen on 1300 653 356.
