## McMillan Street, Clayton South – Proposed Parking Restrictions

### Background

Council is responding to community concerns about high levels of parking in McMillan Street, Clayton South. Therefore, Council is proposing to change parking conditions in McMillan Street to improve parking opportunities for residents and visitors in the area.

### Council action

Council seeks your opinion on the following changes in McMillan Street (see image over the page):

**Option 1** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the north side of McMillan Street (odd numbered side), from Audsley Street and Clarevale Street.

**Option 2** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the south side of McMillan Street (even numbered side), from Audsley Street and Clarevale Street.

**Option 3** – No change to parking in the street.

Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to exempt them from the time restrictions.

Council's Parking Management Policy allows for two residential parking permits per single dwelling and one residential parking permit per dwelling for dual-occupancy units.

The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling. Sub-divided lots with three or more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit.

### Have your say

We appreciate your feedback and ask that you complete the enclosed questionnaire and return it to Council by Friday 4 October 2019.

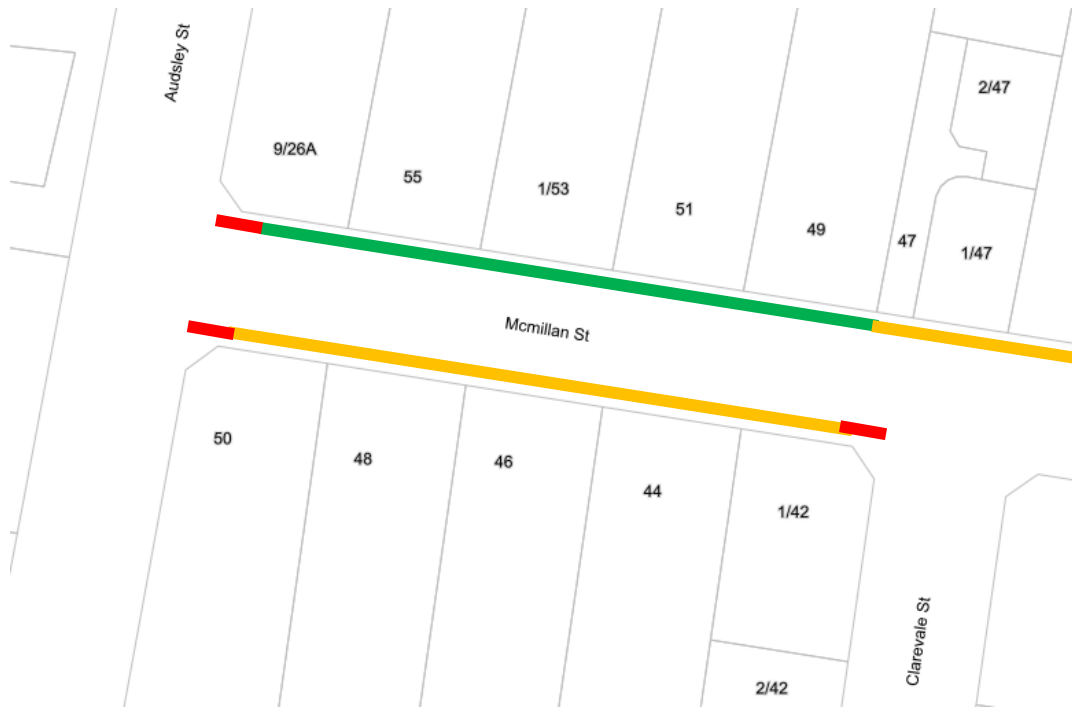

### Further information

For further information please contact Traffic & Transport Planning Engineer Corey Allen on 1300 653 356.

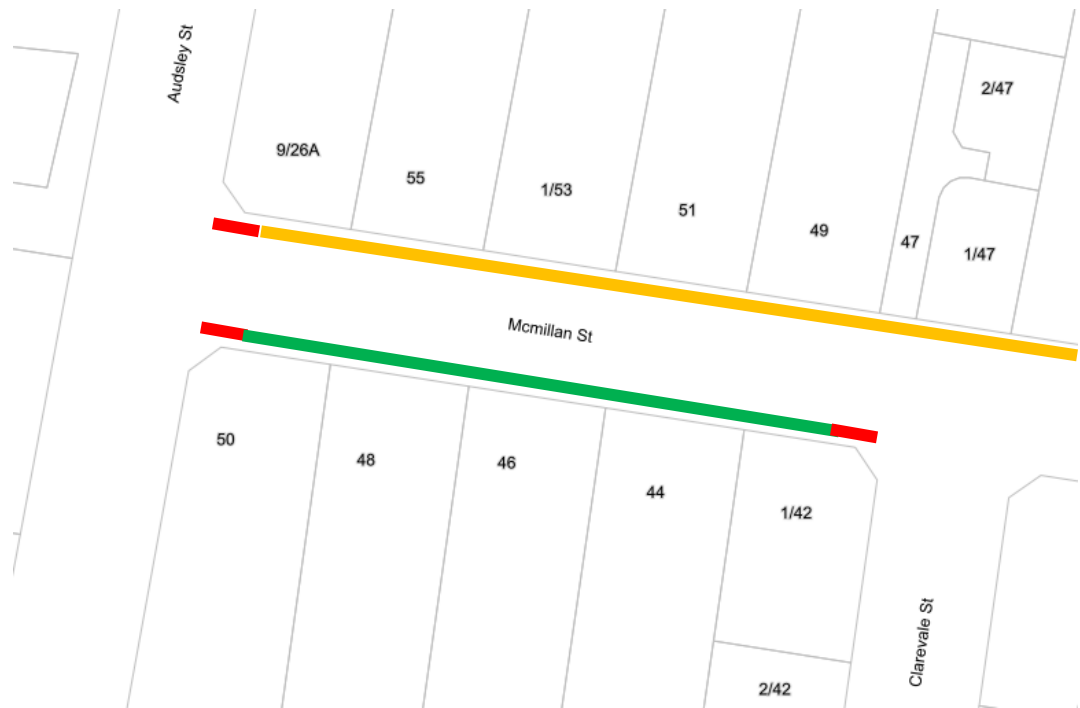

# McMillan Street, Clayton South – Proposed Parking Restrictions
