Stawell Street, Mentone – Change to parking conditions

Background

In July, Council consulted residents in Stawell Street in Mentone after receiving concerns regarding high levels of parking. As such, Council sought feedback on the following proposal:

- **Option 1:** Introduction of '4P 9am-5pm Mon-Fri' parking restrictions on the north side of Stawell Street between Rogers Street and No. 9
- **Option 2:** Introduction of '4P 9am-5pm Mon-Fri' parking restrictions on the south side of Stawell Street between Rogers Street and No. 8
- **Option 3:** No change to parking in the street.

Council Action

The results of the community feedback showed strong support for the proposed restrictions with more support for Option 2.

As such, Council will now organise for the changes to be implemented on the south side of Stawell Street. It is expected that the signs will be installed in the next 4-6 weeks.

Council will continue to monitor Stawell Street after the restrictions have been installed to determine if any further changes may be warranted.

Please note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to exempt them from the time restrictions in the 4-hour restricted area. Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme .

To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.
