## Cooma Street, Moorabbin – Proposed changes to 1P Resident Permit Area

### Background

In response to community concerns about overly restricted parking on weekends along Cooma Street in Moorabbin, Council proposes to change current parking conditions.

### Council Action

Council seeks your opinion on the following changes in Cooma Street (please see image on following page):

- Replace the existing full time '1P Resident Permit Area' parking restrictions with '1P Resident Permit Area Mon-Fri' restrictions along the southern side of Cooma Street.

Removing restrictions on weekends will allow residents and visitors to park on the southern side of the Cooma Street without need of a residential parking permit during the quieter weekend period.

Regardless of any changes to the parking restrictions, residents living adjacent or opposite the restricted parking areas will still be eligible for a residential parking permit to exempt them from the time restrictions.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

### Have Your Say

We would appreciate your feedback and ask that you complete the enclosed questionnaire and return it to Council by 19<sup>th</sup> October 2019.
