## Rosebud Avenue, Moorabbin – Proposed 2P parking restrictions

### Background

In response to community concerns about a lack of parking for residents along Rosebud Avenue in Moorabbin, Council has conducted a review of current parking conditions within the Holmesglen TAFE and hospital precinct. To improve parking opportunities for residents, Council is proposing to change the parking conditions in Rosebud Avenue and some neighbouring streets.

### Council Action

Council seeks your opinion on the following changes in Rosebud Avenue (please see image on following page):

- Option 1: Introduction of '2P 8am-5pm Mon-Fri' on the northern side (odd number) of Rosebud Avenue
- Option 2: Introduction of '2P 8am-5pm Mon-Fri' on the southern side (even number) of Rosebud Avenue
- Option 3: No change to current conditions, unrestricted both sides.

**Please Note:** Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. Additionally, all dual-occupancy and sub-divided lots granted planning advertisement after 28<sup>th</sup> of July 2015 are also not eligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

### Have Your Say

We would appreciate your feedback and ask that you complete the enclosed questionnaire and return it to Council by 18<sup>th</sup> of October 2019.
