## Lord Weaver Grove, Bonbeach – Proposed Change to Parking Conditions

### Background

Council is responding to community concerns regarding high parking demand in Lord Weaver Grove in Bonbeach. Therefore, to address these concerns and to help better manage the traffic flow during the construction of the new Bonbeach Lifesaving Club, Council is proposing to change the current parking conditions in Lord Weaver Grove.

### Council Action

Council seeks your opinion for the following changes in Lord Weaver Grove (see image on following page):

- Option 1:** Introduction of '1 1/2P (90min) 7am-7pm' parking restrictions on the north side of Lord Weaver Grove
- Option 2:** Introduction of '1 1/2P (90min) 7am-7pm' parking restrictions on the south side of Lord Weaver Grove
- Option 3:** No change to parking in the street

### Please note:

Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to exempt them from the time restrictions. Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for the dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. All dual-occupancy and subdivided lots granted planning advertisement after 28 July 2015 are also ineligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

### Have Your Say

We would appreciate your feedback and ask that you complete the enclosed feedback form and return it to Council by 13 September 2019.

### Further Information

For further information please contact Traffic & Transport Planning Engineer Julian Birthisel on 1300 653 356.
