

Notice of Approval of Amendment

Amendment C149

The Minister for Planning has approved Amendment C149 to the Kingston Planning Scheme.

The Amendment came into operation on 15 August 2019 being the day when notice was published in the Victorian Government Gazette.

The Amendment makes various corrections to the mapping of zones and overlays to resolve anomalies in the Kingston Planning Scheme which were identified in the adopted Kingston Planning Scheme Review 2012. The anomalies include mapping errors, redundant overlay provisions, land affected by multiple zones and land where the zone is inconsistent with its use or ownership.
