Disc Golf is a fun recreational activity for people of all ages. The aim of the game is to throw your disc from the tee pad into the disc catching basket in the least number of throws. This 9-hole course has two tee pads for each basket, creating a total of 18 unique holes to complete.

## HOW TO PLAY

• Always give other park users the right of way. • Never throw when other players or park users are within range. Respect the course – put rubbish in bins and keep

# the park tidy.

**W828** 

85

8T-T

Each hole begins with a tee-off throw from the tee pad. After everyone has thrown, the player whose disc is furthest from the basket throws next.

Wherever your disc lands on the fairway is the spot where you must take your next throw towards the basket. Players may take a run up, but you must throw from behind this spot. A follow through is allowed after you release the disc.

Throws which are less than 10m from the basket require players to stay behind the spot until the disc comes to rest.

### Playing in Order

When you start each new hole, the player with the lowest score on the previous hole throws first.

A disc is out of bounds (OB) when it is completely surrounded by the OB area as marked on the tee sign. A one-throw penalty is added to the score and the next throw is taken from the point where the disc went OB. All throws on or over roads and footpaths are out of bounds.

If a disc comes to rest in a tree, the next throw is played from underneath with no penalty.
