November 2026

To the Resident,

Project update: Improving Le Page Park

We're excited to be commencing construction works at Le Page Park in Cheltenham, bringing the community's vision for the park to life. Shaped by your feedback and endorsed by Council in 2025, the revised plan will deliver improved sporting facilities and more opportunities for sport, play and recreation. Improvements (overleaf) include:

- Four fully enclosed cricket nets
- Six tennis courts and pavilion
- Lighting and ball-stop netting across two ovals, with one oval resurfaced
- Relocated Herald Street car park
- Accessible pedestrian paths
- Relocated driveway and kiss-and-go zone
- Public toilet facilities
- Two netball courts with lighting and shelters
- Multi-sport court for basketball and futsal
- Pump track, BBQ, seating, shade structure and bike parking
- Hit-up wall with climbing features, basketball half-court and netball ring

Construction timing and impacts

Construction is expected to commence in the coming weeks, with contractors on site Monday to Friday from 7am – 4pm. Works will pause between 18 December and 10 January over the Christmas and New Year period. Impacts include:

- Site fenced off (playground will remain open!)
- Temporary closure of public toilets
- Increased traffic and construction noise

Improving Le Page Park

Australian Government
BUILDING AUSTRALIA

City of KINGSTON

We apologise for any inconvenience during construction and thank you for your patience as we deliver these exciting upgrades. We look forward to welcoming you back to a new and improved Le Page Park in spring 2027!

Jointly funded by the Australian Government's Thriving Suburbs Program ($5.8 million) and Kingston Council ($8.8 million), this project will create upgraded sporting and recreational facilities for local clubs and the wider community.

Further information
For project enquiries, please contact Councils Active Kingston team via kingston.vic.gov.au/contact or visit kingston.vic.gov.au/improving-le-page-park for the latest project updates.
